

Schweißtechnische Lehr- und Versuchsanstalt Mannheim GmbH  
Staatlich anerkannt und akkreditiert als Ausbildungs- und Prüfstelle für Schweißtechnik

**MEMORANDUM OF UNDERSTANDING  
BETWEEN  
SCHWEIBTECHNISCHE LEHR-UND VERSUCHSANSTALT  
(Welding Technical Teaching and Research Institutes)  
MANNHEIM GmbH – GERMANY  
AND  
UNIVERSITAS DIPONEGORO - INDONESIA**

The parties to this agreement Dr.-Ing. Helmut Nies, Managing Director of Schweißtechnische Lehr und Versuchsanstalt Mannheim GmbH, Germany

And

Professor Dr. Yos Johan Utama, SH., M.Hum, Rector of Universitas Diponegoro, Semarang, Indonesia

Hereby confirm their commitment to respect this agreement on the following terms:

**Article 1**

The Schweißtechnische Lehr-und Versuchsanstalt Mannheim GmbH Germany and Universitas Diponegoro agree to carry out activities to develop program of common interest in the field of teaching and research in welding technologies and will approve the means for the attainment of the objectives set out in the present agreement.

**Article 2**

The Agreement is in respect of:

1. The cooperation in education, training and international professional certification;
2. The exchange of specialist or instructor for periods to be defined for the purpose of education, training and scientific research;

3. The defining of research themes and setting up of joint teams to work on them
4. The setting up of joint conferences and seminars;
5. The exchange of research and scientific material, publication and information;
6. The sharing of expertise and initiatives in the interest of both institutions.

### **Article 3**

The fields concerned are:

1. The development of education and training in welding technologies;
2. The material testing in welding field;
3. The dual education system.

And any other field can be added by an additional agreement to the present agreement.

### **Article 4**

A Commission to co-ordinate common project will be set up in both institutions. It will oversee the fulfilment of this agreement and co-ordinate the undertaken projects. The project and actions must comply with the statutory of both institutions.

### **Article 5**

A specific additional agreement to this agreement can be drawn up annually. The specific agreement will include the details of the action and provisional budget to be submitted to the approval of each institution.

### **Article 6**

Both institution will endeavour to bring education, training and research co-operation by regular exchange of documentations, publications and educational material within regulatory framework in force in both countries.

### **Article 7**

The present agreement shall remain in for five years. It may be renewed on the same terms, or on such as may be agreed by the two institutions and authorized by any approving authorities.

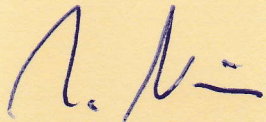

## Article 8

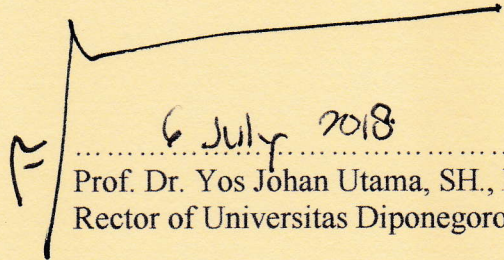

The present agreement can be revoked with at least six month notice by either party, without prejudice to the activities that might be under way.
